

ANREP

Association of
Natural Resource
Extension
Professionals

2018 Conference

Golden Nugget Hotel & Casino

Biloxi, MS

April 29-May 3

welcome

MISSISSIPPI

GULF COAST

Who: You! Extension professionals working in environmental education, fisheries, forestry, wood sciences, range, recreation, waste management, water, watersheds, coastal resources, Sea Grant, climate change, wildlife, sustainable living, energy, and related disciplines.

Why: Professional development, learning, networking, and exploring new places! Present your hard-earned outcomes and impacts to your peers or take home ideas for new programs. Learn about ANREP's recent initiatives around Energy, Climate Science, and Sustainable Living Education, or meet like-minded Extension professionals to start your own initiative. Limited scholarships available.

Where: Conveniently located near the Gulfport-Biloxi Regional Airport, with taxi service available.

What: Reasonable room & registration rates, local cuisine, 5K run over Biloxi Bay Bridge, .34 mi. to beach, marina and Margaritaville next door!

Bonus: MSU ANREPer will host an optional pre-conference loop through the Mississippi Delta, starting in Biloxi. Do not miss this exciting study tour of local history, music, cuisine, agriculture, natural resources and land use issues.
